

Energizer®

Energy Distribution SA is an importer/distributor of a selection of renowned brands: Best Brands for life.

For these brands, we have been dealing with sales, marketing and logistics for the Benelux market for more than 25 years.

Best Brands for Life, Innovates, invests, loves to unearth the latest developments in the market in order to deliver unique and quality products.

These products are included in three main categories: Smart Energy Solutions Car Care & Home Care Leisure products with 2 commercial locations (NL & BE), a B2B webshop and a logistic warehouse of 3.600 m², we are not only a trading partner Strong and ambitious for our customers and brands, but also a strong logistics partner.

From the whole world we import and deliver more than 6,000 stock items in 24-48 hours to over 2,000 points of sales that trust us throughout the Benelux.

On request we also provide logistical and commercial services to third parties.

Our experienced 10-person external sales team is flexible and confident, it has the focus on optimal benefits to our partners.

Also, know that you can count on us as a partner!
