

BAREBONES

BAREBONES SQUARE HOE - WALNUT

ref : **GDN-054**

		
272		36

Cut through stubborn roots, break up tough, sun-baked clay, and prep earth of all conditions for nesting new greens. The Square Hoe's heat-treated, stainless steel curved blade makes for easy trenching and soil care, while it's gently-curved handle provides comfortable grip and movement for your hands and wrists.
