Dandelion Weeding Fork

Need to remove stubborn, deep-rooted weeds? The Dandelion Weeding Fork will do the trick. This implement is intentionally designed to precisely and effectively pull out tough roots without disturbing surrounding soil and plants. Say goodbye to pesky dandelions and other unwelcome invasives. Constructed with an ergonomic, heat-treated stainless steel blade and comfortable walnut handle: a duo worthy and capable of a lifetime of use.

FEATURES

- Rust-resistant
- Blade can be resharpened as needed
