BAREBONES FOLDING SHOVEL W/SHEATH

ref : HMS-2100

2722	100x23 -	8

Lightweight, collapsible, and just plain tough. Break up bulky weeds, dig trenches for irrigation, or cover up campfire coals with our newly updated Folding Shovel. Stainless steel 3-position head stays sharp and accurate through hard and soft soil and allows for multiple working positions. Durable beechwood handle fits comfortably in hand and will last through years of use. Designed with an easy twist lock to collapse the head for more compact storage. Great for the backyard or as camping essential.
