## BAREBONES GLOBE LIGHT MULTICOLOR

ref : LIV-1208

Hang it. Carry it. Float it. Stand it.

Our Multi-Colored Globe Light features nine vibrant light settings that create a fun, playful atmosphere anywhere. Waterproof\* and floatable design make this an excellent river, lake, or pool companion. Vinyl-dipped legs improve grip and stability and orient in four ways: hang or stand lantern at camp or in the backyard. Pure copper accents match the look and feel of our Barebones Lighting Collection.
