BAREBONES EDISON MINI LANTERN OCEAN BLEU - 2AA/USB

ref : LIV-171

363	14.7x12x2	12

USB or battery powered mini lantern based off the design of our best selling Edison Pendant. Inspired by old mining and warehouse lights, this water- and rust-resistant steel lantern creates an intimate space anywhere. Light enough to hang from a tree branch or create a soft glowing atmosphere with several together. Pair with our Barebones Power Banks or utilize 2 AA batteries (not included) for light on-the-go.
