BAREBONES VINTAGE FLASHLIGHT VINTAGE WHITE

ref : LIV-190

		
454	16x0,64	24

Convenient everyday LED flashlight with a nod towards its vintage cousin. Cage styling with grey hammertone-style texture paint gives a classic look with modern appeal. Perfectly sized to fit in your hand. Throw it in your bag or car for emergencies or pack it while camping or hiking. Additional hook on bottom makes it easy to hang at eye-level in the garage or tent.
