BAREBONES EDISON PENDANT LIGHT RED - USB

ref : LIV-266

Inspired by old mining and warehouse lights, high-tech meets vintage in the Edison Pendant Light. Water and rust-resistant and powered by USB portable charger or a 10' cord, this light is designed to be at home among the trees, on the terrace, or to liven up any outdoor entertaining space. Use alone or string up to six pendants together. Portable charger sold separately.
