

# Beacon Lantern

Shed some light on life's journey with the Barebones Beacon. Our light comes with a smooth dimming feature that allows you to completely brighten your surroundings or simply set the mood. Hanging is a snap with its carabiner top, and standing is a cinch with its sturdy base. The Beacon comes with a 30-inch cord for its rechargeable battery—which lasts 200+ hours on low or three hours on high. And thanks to a convenient battery life indicator, you'll never be left in the dark.
