BAREBONES POWERBANK 10.000 MAH BLACK

ref : LIV-299

294	10,2x2,5x8	24

Barebones Power Banks are a versatile tool to provide power whether you're exploring the outdoors or traveling. Each power bank is a portable charger with a heavy-duty magnetic base and copper handle that swivels into for various hanging angles. Compact and light with a durable aluminum case, the rechargeable power bank works with any USB-compatible device.
